About Me

I am Tigistu Yohannis Mugoro, a **Computer Engineering graduate** from Dilla University with a CGPA of 3.65, deeply passionate about **software development and full-stack web development**. I have hands-on experience in **Python, Django, and Node.js with Express**, and modern frontend technologies, including **JavaScript, React.js, Vue.js, Next.js, and TailwindCSS**. Now I am learning React native on my own.

I thrive in **collaborative environments**, building scalable, efficient, and user-friendly applications. My passion lies in **solving complex problems, optimizing performance, and creating impactful digital solutions**. I am driven by a continuous learning mindset and a strong commitment to writing clean, maintainable code. With a keen eye for detail and a proactive approach, I aim to contribute innovative ideas and technical expertise to help businesses build robust and efficient software solutions.

Education

- Bachelor of Science in Computer Engineering

Work Experience

Internship

- Symbol Technologies

Certificates

- **Fortinet Certification - Level 1:** Information Security Awareness
- **Fortinet Certification - Level 2:** Fortinet Product Awareness
- **Fortinet Certification - Level 3:** The Evolution of Cybersecurity
- **Coursera Certification-** JavaScript completion
- **Huawei Certification** – Huawei seeds for future program 2023-2024
- **freeCodeCamp Certification** – Responsive Web design

LETTER OF RECOMMENDATION

To whom it may concern

It is my greatest pleasure to write this letter of recommendation in support of **Mr. Tigistu Yohannis Mugoro**. Though many students ask me to make this request on behalf of them, as Chairman of Computer Engineering at school of Electrical and Computer Engineering, I only recommend students whom I feel are well-suited for the program of their choice or work of their desire. I have known **Mr. Tigistu Yohannis** for five years and delighted to serve as his teacher. During that time, I watched him grow into outstanding individual who excels in both his academic and personal pursuits.

As advisor of **Mr. Tigistu Yohannis**, I witnessed his extraordinary problem identification and solution finding is first hand. His final year project work was particularly impressive. In it the way he applied his theoretical knowledge for practical implementation of real system to solve very big issue is impressive to me.

Mr. Tigistu Yohannis academic accomplishments are rivalled only by his personal strengths. His efforts, intelligence and maturity are beyond his years and he is well-loved by his peers, as well as all those who have had the pleasure of teaching him. Overall he has a very good study habits from which all of the idea being tackled on the subject help him realized to evaluate the essence of the subject especially when he is going to apply that knowledge into practicality. I have seen his eagerness to learn something new from which he always internalizes the idea I have shown to them every time I am having those lectures pertaining on the subject matters.

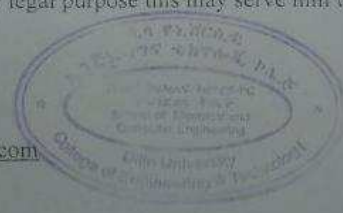

I highly recommend you to accept **Mr. Tigistu Yohannis** for job vacancy available to him. I am confident; he will make an excellent addition to your organization. Please feel free to contact me if you have any questions regarding his past character or past academic work.

Issued upon request by the name above, for what any legal purpose this may serve him best.

Sincerely, 
Arfaso Birhanu Abdiea

TO WHOM IT MAY CONCERN

Subject: Letter of Recommendation

I am writing to wholeheartedly recommend Tigistu Yohannis Mugoro for any future academic or professional pursuits in the Electrical and Computer Engineering field and related areas. As the School Dean of the School of Electrical and Computer Engineering and one of his instructors, I have had the privilege of knowing him since the academic years of 2019/20-2023/24 G.C. During this time, I have witnessed Tigistu's exceptional performance and unwavering dedication to his studies.

Tigistu has consistently displayed a remarkable level of energy, excellence, and motivation, especially in the field of Computer Engineering. His exceptional talents in both independent work and collaboration have truly set him apart as a standout student in our institution.

I am confident that Tigistu will continue to excel in any future endeavors he undertakes in the field of Electrical and Computer Engineering. His passion, diligence, and exceptional abilities make him a valuable asset to any team or program. If you require any additional information regarding his capabilities and character, please feel free to contact me at +251910946267 or via email at eliasm@du.edu.et or elmamu22@gmail.com.
